

Executive Business Performance Report

1. Financial & Marketing Analysis

- **Revenue & Profit:** The business shows strong financial health with a Total Revenue of **\$523K** and a Net Profit of **\$366.10K**.
 - **Ad Efficiency:** Marketing efforts are highly efficient, achieving a **3.33 ROAS**, which indicates that for every dollar spent on ads, the salon generates more than triple in revenue.
 - **Channel Performance:** **Google Ads** is the dominant growth driver, contributing **\$153K** (the highest among all channels), followed by **Facebook Ads** at **\$129K**.
 - **Trend Insight:** The **Annual Revenue Growth** chart shows a steady upward trajectory from 2024 to 2025, reaching a peak revenue of **\$334K** in the current period.
-

2. Workforce & Stylist Productivity

- **Top Performer:** **Michael** is the leading stylist with a total revenue contribution of **\$11.4K**, followed by **John** at **\$9.3K**.
 - **Service Quality:** The team maintains a high average satisfaction score of **128.19**, with most stylists scoring between **197** and **225** in the comparison chart.
 - **Correlation Note:** The scatter plot shows a positive correlation between **Stylist Scores** and **Revenue**, suggesting that higher service quality directly impacts financial returns.
-

3. Customer Behavior & Service Breakdown

- **Retention Status:** Successful bookings reached **1,813**, very close to the 2,000 target, while the client base is well-balanced with **654** total client types tracked.
 - **Revenue Source:** **Loyal clients** are the primary contributors to revenue stability, representing **35.15%** (\$183.98K) of the total distribution.
 - **Service Popularity:** The **"Clearly"** service category is the most profitable segment at **\$2.15K**, followed closely by **"Success"** at **\$2.13K**.
 - **Service Diversity:** Services like **"Tree"**, **"Skin"**, and **"Fill"** show consistent performance, each contributing between **\$1.89K** and **\$1.94K**.
-

Key Recommendations (Final Notes)

1. **Investment:** Increase the budget for **Google Ads** as it yields the highest revenue returns.
2. **Retention:** Maintain the loyalty programs, as **Loyal** and **Returning** clients account for over **67%** of total revenue.
3. **Training:** Use **Michael's** performance and scores as a benchmark for training other stylists to boost the overall average.
